DESCRIPTION

This luxury duplex rental apartment in Marbella has four bedrooms and four bathrooms. With soft hues of grey, white and mahogany the apartment nods to its Fendi design heritage and you'll even see their iconic monogram used on soft furnishings. Relaxing and ultra-comfortable without compromising on style, the bathrooms are simply divine. Bathe at your leisure in the free standing ceramic bath tub or wash away your worries (if you have any left after staying here) in one of the waterfall showers. The kitchen is modern with stylish appliances. Floor to ceiling windows give a fantastic luminous quality to the whole place, and that's just the interior. Outside, you'll see splendid gardens and views of the mountains as well as the shared outdoor pool.

Why it's Got The Wow Factor

We are a little bit jealous of guests who get to stay here. Swimming in the infinity pool in such a stylish complex is certainly, as the name suggests, epic! Only a stone's throw from the hotels of the Golden Mile such as The Puente Romano and Marbella Club, but set in its own private grounds, guests who stay here will be part of an exclusive club. You're sure to want to repeat, year after year.

What's Close?

EPIC apartments enjoy fantastic views of The Mediterranean and the La Concha mountain. Located in the heart of Marbella's famous Golden Mile area, EPIC is only 800m to the beach and 3000m to Puerto Banus. Despite its central location, the development offers you a private haven.
