

# BEACHFRONT VILLA

LUXURY RENTALS MARBELLA

Beautiful and stunning private villa on Marbella's Golden Mile with direct access to the beach. Up to 10 guests can stay here and leave feeling pampered. Restful bedrooms, swanky terraces and original interior design make this a place you will want to visit again and again. Villa has 5 bedrooms, each with its own colour scheme and tasteful furnishings. Full disclosure: the beds are so inviting they may be hard to climb out of! The property has 6 bathrooms, a private pool, a jacuzzi and plenty of outdoor eating areas with a stunning terrace and pergola on the roof. The villa has parking space for two cars. The downstairs has an open plan living space with a large oak and white laminate table. The colour scheme of beige, neutral cream and brown tones is echoed throughout the lounge, dining and kitchen area. The overall impression is both stylish yet welcoming. Of course, we can't take credit for the interior. This was one of famous design company Pedro Peña's projects, and it's certainly one they should be proud of.

## DESCRIPTION

### Why it's Got The Wow Factor

There's something to be said for waking up to a sunrise and sipping juice on your own beachfront terrace. Don't you agree? The outdoor spaces beachfront villa provides are unparalleled. Reminiscent of a Balinese beach club, we just love the rattan lampshades and spacious chill out zones. The private pool is generously sized and looks great when floodlit of an evening. On the top floor, there is a second covered terrace area that has its own BBQ and fully equipped bar. At villa you will find plenty of vantage points from which to take in the breathtaking views of The Mediterranean.

### What's Close?

The villa is nestled between Puerto Banus and Marbella Old Town, just a short walk from the famous Puente Romano resort with all of its bars and restaurants. The area itself is home to many golf clubs and "La Concha" mountain which has a peak at 1.2km above sea level. A tip for something different- If you fancy seeing a traditional white-washed town, check out Mijas which is only half an hour away.

### Services

Guests at any of our private villas in Marbella benefit from 24 hour support. Call us before, during or after your stay with any queries. We can offer you help with childcare, booking golf courses, entertainment or organising a personal chef. We are here, no matter the time of day.
