Why it's Got The Wow Factor

Duplex is what rental is all about, first rate accommodation in the right place. Situated in one of the best spots of the whole of the Puente Romano Resort, this 4 bedroomed luxury duplex enjoys sea views from two terraces and a stylish interior throughout. You'll love every little thing about this well designed residence and its privileged location. Plenty of space to breathe, to relax, and to enjoy life here! You and your guests will adore making use of the open plan kitchen with its gleaming white and marble breakfast bar, that is, if you're not out sampling one of the Michelin starred restaurants in the vicinity.

What's Close?

From its prime position within The Puente Romano resort, you are ideally placed to spend long lazy days on the beach and evenings sipping on something rather decadent in the Piazza. The cafe at the tennis club over the road has its own terrace where you can look out onto the court, it also does a marvellous line in home made cocoa and coconut energy balls. The perfect pick-me-up!

Stepping outside the complex, a leisurely waterfront walk is a must, where you will pass many beach clubs and bars, eventually finding yourself in Puerto Banus Marina or if you venture to the East, in Marbella, whose old town is a "must see". Enjoy a natural juice in Orange Tree Square then amble around the narrow cobbled streets decorated with charming flower pots and hanging baskets for some Andalusian charm.
