

VILLA LA PERLA

LUXURY RENTALS MARBELLA

The world may be your oyster, but inside is where you'll find the pearls. Villa La Perla is aptly named, as this is one of Marbella's hidden gems. A 4 bedroomed private villa, discretely tucked away in a leafy road in Nagüeles that offers everything you will need for a relaxing family holiday. With its lavish interior and tranquil setting, it gets full marks from our team. The villa has a lot to offer; On the ground floor are 2 en suite bedrooms, a fully equipped kitchen with the highest quality appliances, a dining room, a living room, a TV room and a playroom. The kitchen makes cooking a joy, with a shiny marble topped island and plenty of space. Curved windows look out onto a terrace with the garden below. Upstairs are 2 more bedrooms, one which has 3 individual beds and an en suite. The master suite is magnificent, with a free-standing bath enjoying views of pretty plants outside.

DESCRIPTION

Why it's Got The Wow Factor

La Perla has character and presence. There's a private lake where ducks often come to enjoy the water and a fantastic slide extending from the main building to the pool. Quirky details like this will make you very fond of La Perla. Many a beautiful family memory can be made here.

What's Close?

Nagüeles, pronounced "Nagg well- ez" is a charming leafy quarter of Marbella. This affluent area is set back from the hustle and bustle but sits just above The Golden Mile. You'll find some of the city's most exclusive properties here, modestly tucked away on tree lined streets. Our tip: Inhale the refreshing scent of pine trees over a picnic in the park, a 10,000 hectare treat for nature lovers.

Just a few minutes drive from here, The Golden Mile offers glamorous entertainment and fabulous beaches. Here you'll find the city's two most prestigious hotels, The Marbella Club and The Puente Romano, as well as a number of stylish beach clubs.

Services

We are here 24/7 to make your stay unforgettable. Call or message us any time before, during or after your trip. We can help with anything you need.
