### Why it's Got the Wow Factor

This is a relaxing haven to contrast the hustle and bustle in Marbella's most iconic address. We instantly fell for the property's cosy charm. It would suit couples or small families who want to be near the action but don't want to compromise on amenities like a pool and parking as well as their creature comforts.

### What's Close

Set in the best part of town, in the middle of the luxurious Puente Romano Resort, this apartment gives guests an unrivalled position in the heart of the action. On The Golden Mile itself, you'll find a number of beach clubs, bars and restaurants and just a little further afield you have the famous Puerto Banus Marina, only a short car journey away.
