DESCRIPTION

Now for the grand tour: The ground floor offers a slick, Siematic kitchen with Neff appliances which makes cooking a delight! The large, open-plan living room has double-height ceiling and large windows, letting in plenty of the Andalusian sun. There's a stylish dining area, separated from the kitchen by a large island and one of the property's six bedrooms with an adjacent bathroom is also located on this level.

Upstairs, in one wing, the master bedroom is simply waiting to take away your worries away as you sleep peacefully in a large, soft bed with its en-suite bathroom and large walk-in closet. Enjoy sea views from the bedroom's own private terrace. You will also find two more bedrooms on the upper floor, both with en-suites and superbly decorated.

The basement offers two more bedrooms, both of which benefit from natural light, 2 bathrooms, a utility room, and a storage room. Don't forget the exterior: The pool shimmers a bright turquoise colour, striking against the white walls of the property. There are covered terraces too, which give that 'best of both worlds' feeling – a flow of indoor to outdoor living that perfectly exploits the Marbella climate.

Why it's Got the Wow Factor

Waking up to some of the best views on the coast and pampering yourself at the same time? Sounds good to us! The Villa is perfectly harmonious, both with nature and with its surroundings. The sleek white walls and tasteful modern design blend perfectly with the beauty around it.

Everything here has been conceived for your comfort and enjoyment but those views really sold it to us! On a clear day you can see as far as Gibraltar and Africa and to the back, enjoy the pretty scene of The Concha mountain. With ample space and a decadent interior to boot, could this villa be your next perfect holiday hideaway?

What's Close

Cortijo Blanco is located just a short walk from Puerto Banus harbour, close to all of Marbella's best amenities and of course, the beach. Arrive at The Old Town in under 15 minutes by car, or explore one of the city's many golf courses, practically on your doorstep.
