DESCRIPTION

The villa's bathrooms are tasteful retreats, one of which has a free-standing bathtub for long leisurely soaks, perhaps for after a session in the villa's own outdoor gym area? At The Villa you will probably spend even more time outdoors than in, with a glorious private pool, large soft loungers and well-kept greenery outside to enjoy.

Why it's Got the Wow Factor

Wake up to views out from the master suite onto a pretty pool and patio with the mountains in the distance and you'll be glad you came! This is the perfect base to recharge your batteries while embracing all that Marbella has to offer, from golf to the great outdoors. The Villa takes its name from the Spanish word for moon, but fear not, this is a property that's just as good in the daylight. The overall feeling you get here is one of a light and airy, welcoming space.

What's Close

At The Villa you are in the heart of Marbella's prestigious golf valley, Nueva Andalucia. Here you are perfectly positioned to enjoy all that the region has to offer.
