WHAT'S CLOSE?

Here you are right in the heart of the action, a stone's throw from the Golden Mile and its prestigious hotels and bars, close to the famed nightclub Olivia Valere. The beach is just a short 7 to 8 minute car ride away too. Still, we won't blame you if you don't actually want to leave this palatial residence, those long balmy evenings in summer on the terrace or game nights in the winter can get addictive!
