DESCRIPTION

Taking a walk around Villa Luun, you will be in awe at the sheer attention to detail that has gone into developing this masterpiece. The ground floor hosts two of the nine bedrooms, and the other seven are on the first floor. The property boasts eight double bedrooms and one single, all with en suites. Every single aspect of the property has been considered, with high-spec Gaggenau appliances in the kitchen, and striking lounge areas where you can unwind with a drink. In the basement, you'll find a state-of-the-art gym, wine cellar and ample space. Outside the villa there is a fire pit, two patios, a lush pool and outdoor yoga space. For your convenience the pool can be heated. As well as offering a serene base for your next vacation, it's important to note that the property is extremely secure and the compound of La Zagaleta itself is well-protected.

Why it's Got the Wow Factor

From the moment you step into the villa, you are enveloped in a sense of calm and relaxation, thanks to the carefully curated colour palette. The villa's muted shades of grey, brown, and silver in its interior decoration complement the natural surroundings, creating a relaxing and harmonious environment. Even the gym equipment follows the overall theme with shades of brown and grey, so you can enjoy the same classy and stylish vibe of the villa while you work out. This is a fantastic place to unwind, away from the crowds in Marbella's most exclusive area, and yet only a short drive to the main amenities of Marbella.

What's Close

The Villa is located inside La Zagaleta, a closed and extremely secure compound, and one of the most prestigious residential addresses in Europe. La Zagaleta is an exclusive resort and country club set within a vast former hunting estate. The estate is spread over 900 hectares, encompassing valleys and wooded hills that offer breath-taking views of the surrounding mountains and the Mediterranean Sea. The history of the estate is fascinating, dating back to the 1990s when it was transformed from a hunting ground into a luxurious living environment. Staying in La Zagaleta is an experience like no other, offering you the ultimate in privacy, security and exclusivity, yet in only 10 minutes you can be in the heart of Marbella or Puerto Banus.
