DESCRIPTION

Located in Sierra Blanca, a quiet and secure residential area, this exceptional villa embodies the highest standards throughout. You can thank interior designer AJ Flores for the fresh, modern look. From the moment you enter, the open-plan layout and abundant natural light create an uplifting feeling, where you will not just feel at home, you'll feel like you've arrived! Now, let's cover the essentials: The Villa occupies a generous 1900-square-meter plot, featuring three floors and parking spaces for up to eight cars (two covered and six on-street). Its sleek white exterior exudes modern charm, while its seven en-suite bedrooms are thoughtfully distributed for maximum space and privacy, with three in the basement, two on the ground floor, and two on the upper floor. Each room is spacious and tastefully designed. The ground floor boasts an inviting light-coloured lounge that overlooks the garden and pool area. The terraces are equally impressive, and the kitchen features a stylish slate grey finish.
