DESCRIPTION

Why it's Got the Wow Factor

The property has three bathrooms, one guest toilet and four bedrooms. This practical townhouse is an ideal escape for families and groups, with features that will add to your restful vacation experience, such as the master bedroom, which has been thoughtfully designed with its own corner bath. Moreover, the property boasts a private solarium, ensuring you have your own piece of the coveted Spanish sunshine.

But, when you're ready to explore, the beaches of the Golden Mile beckon, just a short drive or leisurely stroll away, as this house proudly stands in the prestigious Altos de Puente Romano area.

What's Close

As the name would suggest, Altos de Puente Romano is close to the famous hotel on the Golden Mile, but it's raised up, so it boasts wonderful views. Drive or walk down to the seafront of the Golden Mile easily and enjoy this desirable address for your time in Marbella. The townhouse gives easy access to Nueva Andalucia, Puerto Banus and Marbella Old Town.

Service

Delight your senses with the Meraki range of organic toiletries that we place around your accommodation and rest assured our team are on-hand for anything you need. We are passionate, multilingual professionals and ready to assist you with any aspect of maximizing your time in Marbella. Your comfort and enjoyment are our top priorities.
