DESCRIPTION

The first floor features a beautiful grand piano to welcome you! There are four bedrooms, a gym, a spa, a wine cellar, and a laundry room. On the second floor, you'll find a kitchen, dining room, two TV rooms, an entrance hall, and a guest toilet. The third floor boasts a master suite with a bedroom, bathroom, and dressing room, all accessible by elevator.

As you would expect in a property of this standing, the villa is extremely secure with an alarm system in the whole house extending to the garden, and part of the gated community of El Madroñal.

Why it's Got the Wow Factor

Throughout the villa, you'll experience the pinnacle of good taste in both interior design and creature comforts. The outdoor amenities are just as spectacular as those indoors, with surprising touches such as a Weber grill by the pool and an outdoor dining area, perfect for barbecuing on long, lazy afternoons. The pool, which can be heated upon request, offers stunning views and there is even an indoor jacuzzi, sauna and gym.

Will you ever want to leave?

What's Close

El Madroñal is a secure country estate perched 400 meters above sea level, offering exceptional views of the coast. Situated on 223 hectares of pine and cork forest, it provides a tranquil retreat while remaining conveniently close to Marbella, the coast, and nearby towns. Here, you can effortlessly enjoy the best of both worlds: spend your days on the beaches of the Golden Mile or indulge in shopping trips to Puerto Banús.

Service

We take great pride in our strong reputation for customer care. We support our clients every step of the way—before, during, and after their trip. Additionally, we offer a complimentary concierge service to ensure your stay is truly unforgettable.
