## DESCRIPTION

Everything has been considered for your enjoyment here- with finishing touches like a jacuzzi, right down to those creature comforts- 4 parking spaces, an office for 2 people, an alarm and being part of a gated community you will feel especially secure.

### Why it's Got the Wow Factor

Designed and furnished by renowned Danish designer Emil Thorup, founder of Handværk Furniture, this villa exudes the swish factor with its blend of sleek, Nordic minimalism and understated elegance. Secluded and private, it offers an exclusive retreat where you can truly escape, with expansive living spaces that inspire relaxation and creativity. The heated pool allows for year-round enjoyment, even in winter, while the stylish interior boasts carefully curated pieces that bring warmth and sophistication to every room. With a focus on both luxury and comfort, this villa is the ultimate haven for those seeking tranquillity in style.

### What's Close

This villa is situated in the MonteMayor urbanization, offering close proximity to both Benahavis and Marbella, including its renowned Golden Mile. It serves as an ideal base to explore new hobbies, with excellent hiking trails, horseback riding, and golf courses all within a 10-minute drive from the property.

### Service

We are known for our exceptional attention to detail and we are here before, during and after your holiday to help you enjoy it to the maximum. We can provide housekeeping and concierge services, and we greet you with our famous welcome.
