Why it's Got the Wow Factor

The Villa was built in 2017 and has a modern, almost futuristic design. The brilliant blue of the pool glistens majestically, reflecting the dazzling white walls of the villa, and leaves a lasting impression of style. Here you can enjoy your own little world of super-luxe Marbella living, with impressive views down to the sea and a highly sought after location in Altos de Puente Romano.

What's Close

The Villa is located within the gated community of Altos de Puente Romano. Set above the coastline, it's still walking distance to the Puente Romano Hotel and Resort and indeed, enjoys one of Marbella's most well-to-do addresses. Not only is this an exclusive complex, but it's near to the beaches on the Golden Mile, a short drive from both Puerto Banus and Marbella Old Town.
