DESCRIPTION

Beyond its elegant living areas, the villa also boasts a fully equipped basement level complete with a private gym and a dedicated home salon – perfect for those seeking wellness, beauty, and relaxation without leaving the comfort of home.

Designed with elegance and comfort in mind, the villa offers approximately 278 m² of bright, open living space distributed across multiple levels.

Inside, you'll find four stylish bedrooms, three bathrooms and a downstairs cloakroom, all featuring high-quality finishes and thoughtful details that evoke understated sophistication. The main living area showcases an open-plan design that connects the kitchen, dining, and lounge spaces, creating a fluid environment for socialising and relaxing. The Arredo3 kitchen, equipped with Miele appliances, sits at the heart of the home, framed by Italian stone flooring and floor-to-ceiling glass doors that open directly onto the terraces and garden, allowing natural light to flood the interiors.

Step outside and you'll discover your own private sanctuary. The landscaped garden features a

sparkling swimming pool surrounded by tranquil seating areas and sunny terraces; the perfect place to unwind, entertain, or simply enjoy Marbella's year-round sunshine. Every inch of this property has been designed to provide a seamless connection between indoor and outdoor living, capturing the essence of Mediterranean luxury. Meanwhile, downstairs, the basement's wellness facilities include a private gym and salon area equipped for blow dry's, manicures and pedicures, offer a haven for fitness enthusiasts and those craving a little pampering.

Above it all sits the rooftop terrace, a spectacular space that elevates the villa to another level of indulgence. From here, you can admire panoramic views of the Mediterranean Sea, the African coastline, and the majestic La Concha Mountain. With its jacuzzi, outdoor lounge, dining area, and bar – this rooftop oasis offers the perfect setting for sunset cocktails and starlit gatherings.

The villa also features underfloor heating, air conditioning, and an elevator connecting all floors, ensuring that comfort and convenience are never compromised.
