## DESCRIPTION

Introducing Villa Verdi, a masterpiece of contemporary luxury located in the prestigious gated community of Sierra Blanca on Marbella's iconic Golden Mile. Designed by the award winning AMES architects, the residence seamlessly blends Andalusian heritage with modern refinement, offering a serene and sophisticated living experience enhanced by panoramic views of the Mediterranean and La Concha mountain.

Upon arrival, Villa Verdi immediately impresses. Set on a generous private plot of two thousand five hundred seventy four square meters, surrounded by mature gardens and lush greenery, the property offers complete privacy within one of the most secure residential enclaves in Marbella.

The architecture flows gracefully across three levels, revealing seven hundred seventy four square meters of thoughtfully designed living space.

Inside, the villa is flooded with natural light thanks to floor to ceiling windows. The main living area opens effortlessly onto expansive terraces that invite outdoor dining, sunset lounging, and tranquil mornings overlooking the sea. The designer kitchen combines elegance and functionality, featuring a statement marble island and high end appliances.

With six beautifully appointed en-suite bedrooms arranged across the ground and first floors. All offer comfort and privacy, while the master suite serves as a private sanctuary featuring a sea view terrace, a walk in closet, and a spa inspired bathroom.

On the lower level, Villa Verdi reveals its most exclusive spaces dedicated to leisure and wellness. Here you will find a full indoor spa with heated pool and sauna, a fully equipped gym, a private wine cellar, and an elegant entertainment room complete with custom bar. This level also includes a secure three car garage.

Villa Verdi is more than a residence. It is a complete lifestyle, conceived for wellness, leisure, and refined living.
